

PROJECT MANAGER

- \$65,312 + Super
- 19 day month
- Diverse Capital Works Program
- Based at Prahran Town Hall on Chapel Street

An exciting opportunity exists for a Project Manager to assist in the construction supervision and project management of roads, drainage, footpath and bridges within the Stonnington municipality. You will work within a committed team to ensure the successful delivery of this units \$7.5M Capital works program.

You will also assess the impact of works by utility authorities and private developers on Council's Infrastructure assets. It is essential that you have knowledge of civil engineering projects, OH&S regulations and experience in contract management.

You should have civil engineering qualifications and several years experience. If you have similar qualifications in other disciplines you will be considered provided you can demonstrate sound experience and customer service in a local government environment. Professional development and assistance with education and training can be provided. Eligibility for membership of the Institute of Engineers Australia is desirable.

An employment application form and position description may be obtained from Council's website www.stonnington.vic.gov.au or by calling 8290 1333. Applications in writing should be addressed to the Recruitment Officer, Human Resources & Organisational Development, PO Box 21 Prahran VIC 3181 or to email address: applications@stonnington.vic.gov.au

Applications close on Friday 6 August 2010 at 4.00pm.
